Online Face-to-Face Training

Progress in one of 12 Business Languages with customized online training

Elevate is the **flexible** training you need to develop new language skills.

- Reach the next proficiency level, and track your progress on the **Common European Framework of Reference for Languages**
- Learn **where and when you want** with our Virtual Classroom available on your PC, tablet and mobile.
- **Gain confidence** with a dedicated expert trainer matching your needs and profile – wherever they are in the world

The **quality** of trainer-led training, the **flexibility** of online learning

Business Languages covered

[PREVIEW IN VIDEO](#)

All our business language courses are delivered by certified, native trainers with business expertise.

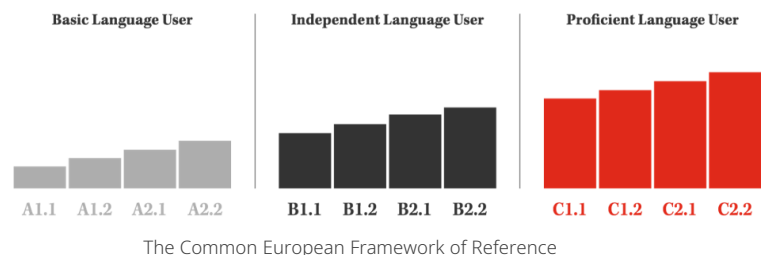

What's included

- Your **level assessment and needs analysis**
- An **online calendar** to manage your own schedule, and reschedule up to 6 hours in advance
- **Online face-to-face sessions** with a personal trainer
- Business, job- and industry-specific content
- Supplementary homework assigned by your trainer
- **24/7 access to materials covered in your sessions**

Climb-up the language proficiency scale

This program is relevant to you if...

- You want to improve your overall proficiency against a standardized framework (CEFR)
- You need some degree of content customization
- You need maximum flexibility in your training
