

Relocation Language Training

Learn the language and feel at home

Evolve Relocation Language is the flexible training you and your spouse need to develop new language skills for your successful start abroad.

Your program is developed with relocation experts located in Switzerland, and based on a blend of proven course design, language expertise and local knowledge. While 90% of your course is focused on the language piece, you are also introduced to the country culture with sessions tailored to your specific needs.

Combining language training & cultural insights

Languages covered

French

German

Italian

The course focuses on target region language, culture and facts. General language topics are combined with cultural knowledge, day to day life and relevant business topics. It also provides useful transition tips to help feel comfortable in the new country as quickly as possible.

All our language courses are delivered by certified, native trainers with business expertise.

What's included

- Your **level assessment and needs analysis**
- An **online calendar** to manage your own schedule, and reschedule up to 6 hours in advance
- **Online face-to-face sessions** with a personal trainer
- Language training materials based on the Common European Framework (CEF) and your host country.
- Additional materials, including destination guide, survival guide, personal log and external links.
- **24/7 access to materials covered in your sessions**

Don't adapt, evolve

This program is relevant to you if...

- You are an Expat or a spouse of expat and want to develop a deeper understanding of the language and social nuances of your new country of residence (Switzerland).
- You are entitled to language lessons as part of the relocation package offered by Nestlé.

All our relocation courses are designed for both individuals and families. Your employees, their partners and their children can pick up the knowledge, skills and confidence they need to thrive in a new environment.
